Dr. Robert Watkins III, 72, Marina Del Rey Hospital Spine Clinic Co-Medical Director

Last year's rank: 27

One of the most respected surgeons in sports medicine, Watkins has treated more pro athletes with spinal problems than anybody in the world. His clients include Peyton Manning, Wayne Gretzky, David Wright and Rob Gronkowski. The microdiscectomy surgery the Dodgers, Kings and USC consultant performs on most of his sports clients provides relief for herniated discs.
